Exhibition on Screen **Cezanne** (12A) 90 minutes

Tuesday 23rd January 7.30pm & Monday 19th February 2pm

EXHIBITION ON SCREEN is thrilled to present one of the most talked about exhibitions of the year. Dedicated to the portrait work of Paul Cézanne, the exhibition opens in Paris before travelling to London and Washington.

One can't appreciate 20th century art without understanding the significance and genius of Paul Cézanne. Featuring interviews with curators and experts from the National Portrait Gallery London, the Museum of Modern Art New York, National Gallery of Art Washington, and Musée d'Orsay Paris, and correspondence from the artist himself, the film takes audiences beyond the exhibition to the places Cézanne lived and worked and sheds light on an artist who is perhaps the least known of all the impressionists – until now.
