

Report No.6

Report to Town Council 9th July 2013

Satellite Dish Listed Building Consent

1. Purpose of the report

- 1.1 To propose agreement to the drawing up of plans (if required) and the submission of an application for Listed Building Consent for a satellite dish for the Town Hall and the permanent installation of the dish on the Town Hall roof.

2. Background

- 2.1 The Cinema operation already provides a great opportunity for residents to view films, however in order to maximise the offering to include live events it will be necessary stream these via a satellite link.
- 2.2 The Town Council is already in possession of a satellite dish, which is currently stored on the roof of the Town Hall. In order to install this Satellite Dish permanently onto the Town Hall roof, the preparation of plans (if required) and an application to Wiltshire Council for Listed Building Consent will be required.
- 2.3 Once this has been received then to arrange for the installation and wiring to the existing Cinema system.

3. Proposals

- 3.1 To propose that the Council instructs the Town Clerk to arrange the drawing up and submission of plans (if required) and an application for Listed Building Consent for a Satellite Dish for the Town Hall.
- 3.2 To propose that after Listed Building Consent approval has been received then to arrange to have the satellite dish installed and hardwired to the Cinema system.

4. Financial Implications and Risks

- 4.1 Costs for plans (if required) and listed building consent will be incurred. Costs for installation of the satellite dish on the roof of the Town Hall and to link in to the cinema system.

5. Recommendations

- 5.1 It is recommended that Full Council agree to the proposals put forward in 3.1 and 3.2.
