Report to Town Council 21<sup>st</sup> April 2015

Emergency Plan Progress

**Emergency Planning Update – Malmesbury Community Area March 2015**

As a follow up to the October 2014 Emergency Planning workshop held in Sherston, the council's Head of Community Protection, Surriya Subramaniam would like to know what progress you are making – he told me he was disappointed that he had not received any draft plans!

Please note those parishes emboldened in the table below attended the workshop, however we are keen to hear from all parishes about how you intend to protect your parish in the case of any emergency.
