

Report No. 1

Report to Town Council 25th April 2017

C&TP Report on John Shepherd (local photographer), who wants to video our hare.

The Town Council hare is now sited outside the Town Hall every day that the TIC is open, and the hare is getting a lot of attention.

It was seen by John Shepherd a local photographer and video maker, whilst he visited the TIC a couple of weeks ago. During a conversation, he asked Claire whether he could video the hare on a revolving plinth and put the video on his Facebook site.

He said that he was very impressed with the way the light played on the mosaic and commented that he would like to make the video to put on his site.

There was no mention of us paying for the video and there was no mention of him making any money out of the video by other means such as using it for advertising. He would of course get the kudos of having made a good video of the hare.

Given that it is the Town Council hare it was agreed that we would ask the whole Town Council for their approval.
