

Malmesbury Town Highway Maintenance Plan – 2018/19

Road	2018/19 Schemes (DfT Local Highways Mx Funding)	Treatment
UC	Parklands/Exton Close – the area requiring treatment is from the junction of Corn Gastons/Newton Grove to the junction of Parklands/Exton Close	Surface treatment
UC*	Bremilham Rise – this road already has a closure notice issued for 10/11 March therefore it has been assumed to be within the FY 2017/18	Surface treatment
UC*	Corn Gastons/Alexander Road – this area already has a closure notice for the 7-10 March therefore it has been assumed to be within the FY 2017/18	Surface treatment
B4040	Bristol Street – as per the list	Surfacing
C68	Tetbury Hill – assume the remaining 50% to be completed	Surfacing
Road	2018/19 Schemes (Additional sites with investment fund)	Treatment
UC	Newton Grove – this appeared not to need immediate attention in FY 18/19	Surfacing
UC^	St Aldhelm's Road to Burnham Road – as per the list	Carriageway repairs
UC	Athelstan Road – as per the list	Surfacing
UC^	Park Road – as per the list, bad de-lamination throughout the length	Surfacing
UC	Old Alexander Road – an area has already been marked out from the junction of Alexander Road to the footpath by the end of Basavi Close on one side of the road only, however no closure notice in place to date	Surfacing
	Additions	
UC	Katifer Lane	Surfacing
UC	St Mary's Lane – from the Horsefair to the Triangle	Surfacing

As it would appear that the roads marked with an * have already been/or are planned to be completed in FY 17/18, could the two roads marked ^ be moved to replace them and the two additional roads identified above moved to replace these.
