

# Get Area Board Issue

**Submitted** 02/05/2018 11:05:11  
**Reference No** 6301

**Issue Summary** CATG vehicles encroaching pavement High Stree Malmesbury

UPDATED

## Latest Update

02/05/2018 13:03:07 Thank you for raising your issue with the Area Board. The Council has set up a way for local people to decide local highway improvement priorities. A local community area transport group (CATG) of local people and elected councillors comes together to consider issues and proposals and to recommend those schemes that can be taken forward in any year. Before the CATG can consider a proposal, it must first consult the local parish or town council. Only if the parish supports the issue will it be considered further. If your issue is supported by the parish council, it will be submitted to the CATG for consideration. The CATG will then decide whether it should go forward onto the list of priority schemes. Resources are very limited, so it is important that schemes are prioritised in this way. Obviously, not all schemes can be taken forward and some proposals may have to wait a while before they become a priority for funding. The CATG makes recommendations to the Area Board who will decide which schemes will be funded and taken forward. We will keep you informed of progress as we go through the steps outlined.

## CATG Action / Recommendation

### Issue

Vehicles encroaching on the pavement at the bottom of the High Street Malmesbury. There is a pinch-point at the bottom of the High Street vehicles often travelling too quickly are presenting a danger to pedestrians using the pavement on the western side of the road outside No.141. Vehicle have been seen to pass very close to pedestrians to mount the pavement and in one instance to strike a building.submitted on behalf of the residents of No.141 High Street

### Issue Location

Malmesbury

### Street / Location

outside No.141 High Street Malmesbury

### Electoral Division

Malmesbury

### Issue Duration

Years

### Who is Affected

People living in the area and pedestrians.

### What has been done so far

Submit issue.

### What would resolve issue

The local residents would like the CATG to consider the matter and whether any measures can be brought in that would either slow

traffic i.e. moving the speed bumps further down the street or to push traffic away from the pavement.
