

Report No. 3

Report to Policy and Resources Committee 8th October 2013

Athelstan Players Clubhouse

1. Purpose of the report

- 1.1 To consider a request from the Athelstan Players to raise the height of the clubhouse at the Flying Monk Playing Field.

2. Background

- 2.1 The Athelstan Players have the benefit of a lease from the Town Council in respect of the land upon which their clubhouse is situated.
- 2.2 The building belongs to the Athelstan Players who have the responsibility for maintenance.

3. Proposal

- 3.1 In view of the potential for damage whenever flooding occurs the Athelstan Players wish to raise the height of their building similar to the operation undertaken by the Malmesbury Boxing Club a few years ago.
- 3.2 Permission for the alteration is being sought from the Town Council in accordance with the terms of the lease and does not involve the Town Council in any financial contribution.

4. Financial implications and risks

- 4.1 There are no financial implications associated with the grant of permission and any planning approvals necessary will be the responsibility of the Athelstan Players

5. Recommendations

- 5.1 Members are recommended to agree the request from Athelstan Players
