2016	1491

- Numbers are down considerably on last year but there had been a couple of days late in March last year that had been very busy.
- There has been interest from potential artists for the Hare Trail 2017, should I pass this to Florence?
- We are now open on a Saturday, Good Friday was fairly busy and also the Saturday of the Easter w/end but bad weather on Easter Monday may have discouraged visitors.
