

Report to Community and Town Promotion Committee 5<sup>th</sup> January 2017

Up-Cycling Workshop

**1. Purpose of the report**

- 1.1 To provide information about a potential upcoming initiative for an Up-cycling workshop for young people at the Town Hall.

**2. Background**

- 2.1 The Scrap Store is an award winning environmental and community charity, they collect resources that would otherwise go to landfill and redistributes them for creative activities and projects of all kinds, from arts and crafts to DIY.
- 2.2 The Scrap Store runs Up Cycling Workshops at venues, bringing all materials with them.
- 2.3 All necessary insurances & DBS checks will be in place, provided by the Scrap Store.

**3. Proposal**

- 3.1 To consider hosting an Upcycling Workshop at the Town Hall.

**4. Financial implications**

- 4.1 The Workshops cost £120 for half a day or £190 for a full day.
- 4.2 The Town Council will be required to provide a room in the Town Hall.
- 4.3 The Council could provide refreshments for young people.
- 4.4 It would be necessary to consider to what extent advertising should be done.

**5. Recommendations**

- 5.1 Members are requested to note the report, determine what action to be taken & an outline budget for the event if it is to proceed.
