

Report no 10

Report to Tourism and Town Promotions Committee on 6 th July 2017

Malmesbury in Bloom Garden Competition

Malmesbury in Bloom Painting and Photographic Competition

1. Purpose of Report

1.2 To agree a date and the finance to cover the Presentation for Malmesbury in Bloom Gardening Competition and Malmesbury in Bloom Painting and Photographic Competition .

2. Background

2.1 For some years we have held the above two events on the same date This means that councillors involved only need to put one date in their diary and there is only one date to book ,for the use of the hall.We have the Presentation of the Painting and Photographic Competition from 6p.m.until 7p.m. and the Presentation of the Gardening Competition from 7.30p.m. until 9.00 p.m.approx . Invitations are send to all of those who enter the competitions. For many years The Wilts and Gloucester Standard have sponsored the prizes for the painting competition and they have agreed to do this again this year . We are actively looking for a sponsor for the photographic competition.

3. Proposal

3.1 To fix a date and agree the financial support for this event

4. Financial implications

4.1 Funding for this proposal is included in our budget. All invitations letters, forms, posters and certificates will be handled in house. It is anticipated the cost of the Presentation Evening will be in the region of £100 for refreshments however this depends on the numbers attending.The cost of the plaque for "The Street category will be about £40. If we are not successful in obtaining a sponsor for the photographic competition this will add £40 to the financial commitment

5. Recommendations.

The committee is requested to consider the report and determine what action to be taken

Cllr. C . Doody
Vice Chair of Tourism and Town Promotions

3.
