

## WOMAD 2017 report

We are having a tent at WOMAD again and we have a budget of £200.

We already have the banners and the possibility of a new tent of our own or a borrowed tent from Lisa and Ash.

There are already some ideas on the table for how we spend the budget we have to promote the town, so we need to propose and vote on a plan.

The ideas already put forward are:

- Malmesbury now and then photos to show how the town has evolved
- A lucky dip instead of the usual raffle (in which there has been little interest in the past)
- Pictures of our Hares and our part in the Hare trail.
- The town's leaflets
