

Malmesbury youth Club.

1/10/2024	3- street based	Seen at co op. good engagement about school, vaping and healthy eating.	
4/10/2024	24-session	24 young people, games and activities., group were very excited, lots of toasties. . Bracelets made.	
11/10/2024	26-session	26 young people attended this evening- we made stress balls (mental health) lots of toasties and also made swearing bracelets. Support given to a young person who was worried about his safety, we offered to take him home, in the end he asked to stay until he met his brother. Foam ball games worked well.	
18/10/2024	28 – session 8 street based	The group were keen to engage in slime making. We also decorated cupcakes. Young people were keen to share information about their week, healthy relationships activity and also engagement about how behavior has consequence. Concerns raised about lack of lighting on bikes.	
22/10/2024	3 at cloisters 2 at market cross	Engagement about school, vaping and issues between with peers.	
25/10/2024	Streetbased- 32 reached	We decided to be street based- Danielle was on leave and cover youth worker was new to the group. Good engagement, market cross- Filands, co op, station car park, white lion park. Discussions based on school, holiday and Halloween plans. Personal safety discussed too.	
1/11/2024	11 -youth club 15 – street based	11 attended youth club. On arrival 2 were sat outside and I told two to leave who were using fun snaps in the town hall entrance. Group engaged with a group marshmallow building games. And dodgeball We reached 15 out and about. In market cross, cloisters and station car park, all were just hanging on, we asked one group to turn the speaker down as it was really loud- which they did. Engagement about ASB.
